

Lancaster County Toy Ride Raises \$50,000.00

On Saturday, October 11, 2014, the Central Pennsylvania Confederation of Clubs held its 19th Annual Lancaster County Toy Ride. Motorcyclists gathered on the cold, rainy morning to support a great cause. The 131 motorcycles were led by a truck from Brubaker Inc. The ride left the AMVETS Post 19 in Lancaster, PA and ended at the Penn State Hershey Children's Hospital where bags of toys and donations were delivered. This year's event raised \$50,000.00, exceeding last year's 2013 donations of \$35,000.00. The event was organized by Bill Brinkman with help

from motorcycle clubs of the Central PA COC. Top donors were: AMVETS Post 19, Lancaster, PA; Reamstown Athletic Association, Reamstown, PA; and the Riverside Camping Association, Lancaster, PA. Planning has already begun for the 2015 ride with hopes of exceeding this year's donation.
